- Finished component size
- Bleed area. In case of bleed imprint, please extend it until blue line
- Safe print area. Keep all important text and graphics within this area
- Axis of the Crease
- Edge of Glue
- Glue

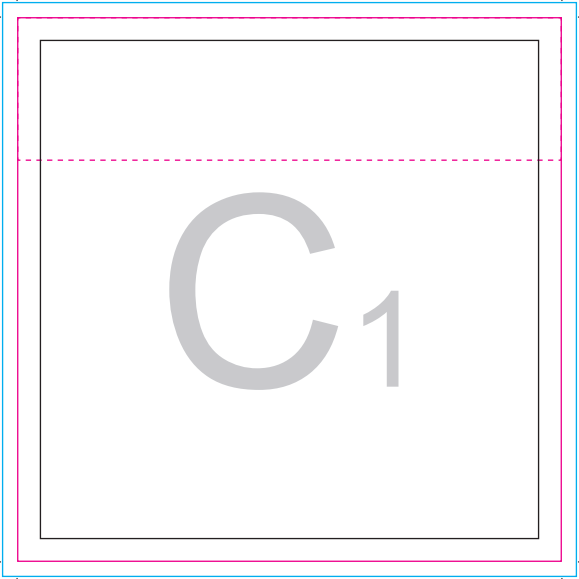

A<sub>1</sub>

A<sub>2</sub>

A diagram consisting of a large rectangular frame. The frame has a light blue outer border and a magenta inner border. Inside the frame, there is a horizontal pink bar at the top, which is approximately one-fifth of the total height. The remaining four-fifths of the frame is a light gray area. In the center of this gray area, the text "B<sub>1</sub>" is written in a large, gray, sans-serif font.

B<sub>1</sub>

A diagram consisting of a large square with a light gray background. It features three nested borders: an outermost light blue border, a middle magenta border, and an innermost black border. A horizontal dashed magenta line is positioned at the top of the innermost square. In the center of the innermost square, the text "C<sub>1</sub>" is displayed in a large, gray, sans-serif font.
